

Group: Purple Topic: Teen Suicide

Title of paper: You're Worth It

First Slide/Issue statement: Look around, does anyone you see show signs of possibly taking their own life? Although this topic doesn't get much attention in schools, it is the third leading cause of death in Louisiana. We as youth believe that prevention programs are there, but they need to become exclusive.

Second Slide: Factors leading up to suicide: guilt, abuse, and bullying
Every completed suicide has had twenty five attempts, this shows that there are many teens who need to voice their opinion but do not know how

Third Slide: it really just starts with you, but at schools we can contact organizations, have one assembly a year on suicide
Awareness days hosted by students,
