(Lake Charles)—Family & Youth Counseling Agency (Family & Youth) received \$10,000.00 from Louisiana Children's Trust Fund for sponsorship of its 17th Annual Connections Count Conference.

Louisiana Children's Trust Fund generously sponsored Family and Youth in support of their 17th Annual Connections Count Conference. Louisiana Children's Trust Fund supports projects every year that lead to the prevention of child abuse and neglect as well as many other projects that benefit the well being of children and youths in our communities.

During the conference professionals from the four corners of Louisiana and beyond come together to explore, expand, and share critical knowledge and expertise for the benefit of children, youth, and families in our collective communities.

It is the belief of Family & Youth that all individuals possess the ability to solve their own challenges and live full and healthy lives when support is available. It is the mission of Family & Youth to provide affordable and professional support through programs and services dedicated to the advocacy, counseling, and education for the people of Southwest Louisiana. Our effort and commitment to building family values will guarantee a stable and stronger community. For more information call 337.436.9533.
