Lake Charles—The Leadership Center (TLC), a division of Family & Youth Counseling Agency (Family & Youth), will be hosting a summer mini-series of Career Exploration “Building Career Pathways.”

“What do you want to be when you grow up?” This can be a difficult question for high school students to answer. TLC works to make this question easier with its Career Exploration initiative. Career Exploration gives high school students the opportunity to explore several different career options through exposing students to various careers in a hands-on environment allowing them to make an informed decision for their future. Each session includes experiential activities, discussions, and presentations led by professionals in their respective fields. Students are encouraged to ask question about higher education, certification, and training requirements that are necessary to qualify them for different careers.

Sessions are to be held as follows:

Session 1) Wed. Jun 8, 2016- Criminal Justice & Law

Session 2) Wed. June 22, 2016-Medical

Session 3) Wed. July 6, 2016- Human Services

Session 4) Mon. July 18, 2016- Communication & Marketing

The fee for the mini-series is \$20.00 per student and covers all four sessions. Registration is now open online at www.fyca.org or by calling courtneya@fyca.org at 337.436.9533.
